CITATIONS:

Question:

What do we do with applications received in the CAO after 04/26 that are not postmarked?

Response By: Division of Federal Programs/LIHEAP

Approved by: Luellen Schmidt

LIHEAP applications received by mail through close of business on 05/01/2013 that are not postmarked will be considered timely if the application was signed 04/26/2013 or earlier.

LIHEAP applications received with a postmark date after 04/26/2013 will be rejected.
