Subject: LIHEAP Policy Clarification List Update

Question: Are all of the LIHEAP Policy Clarifications listed in the [All](#), [Cash](#) and [Crisis](#) sections of the "Policy Clarification by Subject" page still current?

Response By: LIHEAP Unit/Division of Federal Programs and Program Management **Date:** 9/2013

No, not all of these clarifications are current. Some have been incorporated into the LIHEAP Handbook. Others are incorrect or have served their purpose. Click [here](#) for a list of newly obsoleted LIHEAP policy clarifications.

These policy clarification links will be removed from the LIHEAP Handbook and obsoleted individually as time permits.
