Subject: 0192 Waiver Notices

Does the county assistance office have to send notices for the 0192 waiver to anyone other than the individual and service provider?

Response By: Division of Health Services

Date:05/13/10

Yes, The Office of Long Term Living (OLTL), Bureau of Individual Supports (BIS) must receive a copy of the notice for individual's applying for or receiving the 0192 Waiver. Whenever eligibility is determined, changes occur, or eligibility is stopped for an individual applying for or receiving services in the 0192 Waiver, a copy of the notice should be sent to:

Office of Long Term Living
Bureau of Individual Supports
555 Walnut Street, 6th Floor
Harrisburg, PA 17101

The requirement to send copies of notices to OLTL-BIS only applies to the 0192 Waiver.
