No. Individuals with citizenship code 05 are no longer enrolled in MCOs. This system edit was implemented effective November 1, 2011 (December 15, 2011 in IV-B).

Individuals with citizenship codes 02 (under the five year bar) and 03 are no longer enrolled in MCOs with the following exceptions:

1. Under age 21
2. Pregnant through the postpartum period
3. Receiving MA benefits in a GA-related category

This system edit was implemented May 1, 2012

These individuals will continue to receive MA benefits through the Fee for Service program.
