

## **Policy Clarifications – ESA 17122-135**

**Submitted:**                      **Agency:** Headquarters

**Subject:**                              Vehicle Repair Cost – Non-Owner

**Question:**    Is a RESET participant able to receive a special allowance to repair a vehicle that they do not own but is being used to transport the RESET participant to activities?

**Response By:** Scott Rhodes

**Date:** 4/30/14

**Response:**    No. A TANF recipient participating in an approved RESET activity who is borrowing or being driven in a vehicle that they do not own cannot receive a special allowance to repair the vehicle. Maintenance and repair are the owner's responsibility.
