Dear

Although your Supplemental Security Income (SSI) payment has been previously stopped or decreased because of earnings from employment, you remain in a “Special SSI Recipient Status.” This “Special SSI Recipient Status” means that you still remain eligible for Medicaid. Continue to present your Pennsylvania ACCESS card - and your other medical insurance cards such as Medicare card when obtaining medical services. If you are eligible for Medicare, the Department will pay your premiums for Part B of Medicare. Your “Special SSI Recipient Status” is permanent unless you are informed by the Social Security Administration of a change in your status. If your ACCESS card is lost, stolen or damaged, request a replacement from your County Assistance Office. It is necessary that you report any change of address to the County Assistance Office.
