

**Policy Clarifications  
Medical Assistance – All  
PMA-17017378**

**Submitted: 2/2014**

**Agency: CAOs**

**Subject: Self-Attestation for Verification of Pregnancy for Medical Assistance (MA)**

**Question:**

Per [Ops 13-09-04](#), self-attestation is now acceptable verification for proof of pregnancy. Is this limited to MAGI MA?

---

**Response by: Division of Health Services**

No. Self-attestation of pregnancy is acceptable for all MA categories (MAGI and non-MAGI).
