Subject: Is KEYS a time limited project for TANF clients?

Do TANF clients participating in Keystone Education Yields Success (KEYS) have to be terminated upon exhaustion of their Vocational Education (Voc Ed) time limit?

Response By: Nicole Tile

Date:03/13

Voc Ed is a time limited activity; however, KEYS is not a time limited project.

A TANF client is not required to be terminated from KEYS once their Voc Ed time has been exhausted. Clients may continue participation in KEYS if they are meeting their core hourly requirement in another approved core activity.
