Submitted: 5/18

Agency: CAOs

Subject: Notices discontinued for Department of Corrections (DOC) facilities

Question: Should eligibility notices be sent to DOC facilities for shortened MA Inmate Release applications that have been submitted by DOC?

Response By: Division of Health Services

Date: 6/1/18

No. Following directives from DOC management, DOC no longer requires an eligibility notice to be sent to DOC facilities for shortened MA Inmate Release applications only. This includes State Correctional Institutions (SCI), Community Correction Centers (CCC), Contract Facilities (CF), and DOC Bureau of Health Care Services.

If the facility's Non-MA Provider Number has been imported into eCIS from COMPASS, delete the provider information from the MA Provider screen in eCIS.

Eligibility notices for inmate inpatient applications must continue to be sent following current procedures found in MAEH Section 392.211.
