Subject: Refugee Medical Assistance

Please advise whether the above cited OPS memo is still current and whether it will be incorporated in the MA Handbook? Thank you

Response By: Barbara Hummel

Yes, OPS001003 remains in effect as the current policy for the Refugee Resettlement Program (RRP) and Refugee Medical Assistance.

The Handbook will be updated in the future to reflect the revised Refugee Medical Assistance (RMA) regulations. Please note that RMA is covered at SH [730.5](#).
