Family Safety: Information About Your Benefits and Domestic Violence

Domestic violence happens when someone in your life harms you. Abuse can be physical, sexual or emotional. It includes:

- Physically hurting you or your children
- Threatening or trying to hurt you, your children or your property
- Forcing you to have sex
- Sexually abusing your children
- Controlling where you go and who you see
- Not allowing you or your children to have food, clothing or medical care
- Keeping you from going to work or school
- Following or stalking you

If you are or have been a victim of domestic violence or are at risk of further violence, your caseworker can excuse you from requirements for cash assistance if domestic violence prevents you from complying. Sometimes people cannot safely follow welfare requirements because they fear that they or their children will be abused if they do so. These include:

- Support cooperation
- Time limits
- Work (RESET)
- Requirements that teen parents live at home
- Other requirements on a case-by-case basis
- Verification

If you need to be excused from welfare requirements because of domestic violence, tell your caseworker.

If you or your children are or have been victims of domestic violence, or are at risk of further violence, your caseworker can:

- **Talk** to you if you want to talk. You can ask to talk in private. Your caseworker and the staff will keep your personal information confidential. However, the law says that the Department of Human Services must report child abuse to the Children and Youth Agency.
- **Help** you find local programs where you can get **counseling, safety planning, shelter, legal services** and other help.
- **Help** you understand the rules for applying for cash assistance, and how they affect you if you apply. Certain TANF requirements may be waived based upon domestic violence.

For more information about crisis intervention, counseling, accompaniment to police, medical and court facilities, temporary emergency shelter, and prevention and education programs, call:

All clients may use JobGateway. **Please note that if you are applying for Temporary Assistance for Needy Families (TANF) cash benefits and you are 18 or older, you are required to apply for at least three jobs per week while we decide on your application.**

We can excuse you from this requirement if you are already working 20 hours per week, you have a physical or mental disability, you have a child under the age of one, you have a child under the age of six and do not have child care, you are needed in the home to care for a person with a disability, you are a victim of domestic violence, you lack transportation, you are homeless or you have another good reason. You will be required to prove these things as best you can. Bring any proof you have to your cash interview.

More details on how to prove compliance with the applicant job search, or how to prove that you should be excused, will be included in a packet given or mailed to you by the caseworker. It is strongly recommended that you register with JobGateway to get started. You can register with JobGateway at www.jobgateway.pa.gov/.

Pennsylvania receives information from other state and federal agencies to verify the information you give us. If you misrepresent, hide or withhold facts which may affect your eligibility for benefits, you may be required to repay your benefits and you may be prosecuted and disqualified from receiving certain future benefits.

Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027), found online at: http://www.ascr.usda.gov/complaint_filing_cust.html, and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. RIGHT TO CONFIDENTIALITY

We will keep your information private. It will only be used to decide which programs you may be eligible for. The county assistance office (CAO), when requested, must provide federal, state and local law enforcement officials with the address, Social Security number (SSN) and photograph (if available) of an individual who is fleeing to avoid prosecution, custody or confinement for a felony or violating probation or parole. Any person knowingly violating any of the rules and regulations of this department shall be guilty of a misdemeanor and, upon conviction shall be sentenced to pay a fine, not exceeding one hundred (\$100) dollars, or to undergo imprisonment, not exceeding six months, or both (62 P.S. section 483).

RIGHT TO A WRITTEN NOTICE

We will give you a written notice explaining your benefits. If we deny, change, suspend or stop benefits, we will give you a written explanation of why. You have 30 days (90 days for Supplemental Nutrition Assistance Program (SNAP) benefits) from the mailing date of the notice to ask for a hearing.

RIGHT TO APPEAL

You have the right to ask for a Department of Human Services (DHS) hearing to appeal a decision if you believe it is unfair or incorrect, or if DHS fails to act on your application for benefits. You may file the appeal at the CAO. If you appeal, you may also request an agency conference before the hearing. If your appeal involves expedited SNAP benefits, you have the right to have this conference with a supervisor within two work days. At the hearing you may represent yourself, or someone else, such as a lawyer, friend or relative may represent you.

RIGHT TO CLAIM GOOD CAUSE

If you apply for cash or Medical Assistance benefits, the law requires you to cooperate with establishing paternity and seeking support. You may be excused from these requirements if you prove it may be dangerous for you and/or your children. This is known as good cause. Unless a good cause exemption is established, you will be required to meet employment and training requirements. You will also be required to meet semi-annual reporting requirements unless good cause is granted.

RIGHT TO CERTIFICATE OF CREDITABLE COVERAGE

Federal law limits when health coverage may be denied or limited for a pre-existing condition. If you enroll in a group health plan that excludes treatment for a condition you already had, you can be credited for the time you received Medical Assistance coverage. This may help you obtain coverage. Contact your caseworker to request this certificate.

RESPONSIBILITY TO PROVIDE INFORMATION

You must give true, correct and complete information. You must help in proving the information you give. Benefits may be denied if you fail to provide certain proof. If you cannot provide proof, you should ask the CAO to help you obtain it. If you are contacted by DHS or the Office of Inspector General, you must fully cooperate with those persons or investigators. If you are age 55 or older and receive Medical Assistance to pay for nursing facility services, home and community-based waiver services and any related hospital and prescription drug service, you may be required to repay the cost of these services from your probate estate. If you are applying for cash assistance, we may require you to sign an agreement to repay benefits that you, your spouse and your children have received.

RESPONSIBILITY TO PROVIDE SOCIAL SECURITY NUMBERS

For cash, health care and/or SNAP benefits, you must provide an SSN for each person for whom you are applying. If you do not have an SSN, you must apply for one. Not providing an SSN may result in not being able to receive benefits. For cash benefits, we may ask for an SSN for anyone whose income or resources may affect your eligibility or the amount of benefits. Your SSN will be used for identity, for computer matches which verify income and resources, and to prevent duplication of state and federal benefits. An alien who is applying for emergency MA only is not required to provide an SSN. (42 U.S.C. 1320b-7)

RESPONSIBILITY TO USE THE PA ACCESS CARD LAWFULLY

Once you are eligible for benefits, you will be issued a PA ACCESS card. This card may only be used for the person who is eligible and only during the eligibility period. You may only use the card for services that are needed and reasonable.

RESPONSIBILITY TO REPORT CHANGES

If you qualify for benefits, you will be required to report changes in your circumstances to your caseworker or to the Customer Service Center. Types of changes reported would include people leaving or moving into the house, a new address, a new job for someone, if someone loses a job, birth of a child, new sources of income or changes to income. Your caseworker and notices you receive will cover the specifics in detail based on the programs and benefits you are eligible for. Failure to report required changes within the program guidelines could result in a loss of benefits, sanctions, or civil or criminal charges. You may report changes to the CAO in person, by phone, fax, mail or through a COMPASS account. You may also report changes to the Customer Service Center at 1-877-395-8930, or for Philadelphia, 1-215-560-7226 any time.

RESPONSIBILITY TO SEARCH FOR JOBS

If you are applying for cash assistance, you must provide proof that you are searching for at least 3 jobs per week during the application process, unless you have verified good cause or proof that you are exempt from this responsibility.

Understanding Your Rights and Responsibilities

When I sign this form:

- I understand that Pennsylvania receives information from the Income Eligibility Verification System (IEVS) and other state and federal agencies to verify the information I give them. Information available through IEVS will be requested, used and may be verified through collateral contact when conflicting details are found by the State agency, and such information may affect the household's eligibility and level of benefits. If I misrepresent, hide or withhold facts which may affect my eligibility for benefits, I may be required to repay my benefits and I may be prosecuted and disqualified from receiving certain future benefits.
- I understand that I can designate an authorized representative by completing the Authorized Representative section and submitting it with this application.
- I understand and agree that I am responsible for any fraudulent statements made on this application, even if the application is being submitted by someone acting on my behalf.
- I received a copy of my rights and responsibilities, have read them or someone has read them to me, and I understand them.
- I understand that the information entered in this application will be kept confidential and used only to administer benefits. I authorize the release of personal, financial and medical information for the purpose of determining eligibility.
- I understand that any changes I am required to report must be reported within the first 10 days of the month following the month of change.
- I understand that I will receive a written notice explaining the benefits. If benefits are denied, changed, suspended or stopped, the written notice will explain why.
- I understand that I will have 30 days (90 days for SNAP (food stamp) benefits) from the date of the notice to request a hearing if I do not agree with the decision made on this application.
- I understand that my situation is subject to verification from employers, financial sources and other third parties.
- I understand that applicants must provide their Social Security number or apply for one if they do not have one. This number may be used to check the information on this application.
- I understand that I must use the Electronic Benefit Transfer (EBT) or the PA ACCESS Card only during the period I am eligible. I must use the EBT or the PA ACCESS Card only for the person who is eligible and may get only the benefits that are needed and reasonable.

- I understand that if I am determined eligible for Medical Assistance, I will be placed in the most comprehensive health care package that is available to me.
- If I receive cash benefits, I will cooperate with the requirements of the child support enforcement program as directed by the department. I give the department and the Domestic Relations Section the right to pursue and collect cash and/or medical support for me and others for whom I am applying.
- I understand that if I report or provide proof of the household expenses, I will get the maximum amount of SNAP (food stamp) benefits allowed. Failure to report or provide proof of the household expenses will be regarded as my statement that I do not want to receive a deduction for the unreported or unproved expense. (Authority: United States Department of Agriculture, Food and Nutrition Service, Mid-Atlantic Region, Administrative Notice 6-99, issued January 4, 1999).
- I understand that I have the right to receive credit for the household expenses at the time I report and provide proof of them at any time during my SNAP (food stamps) certification period.
- I understand that I have the right to ask the county assistance office (CAO) for assistance in getting proof of expenses and that the CAO can contact other people for confirmation if I am having trouble getting proof of anything.

If this is the case, I authorize the Department of Human Services to give my name and information on this application to the insurance department or the CHIP contractor.

RIGHT TO NONDISCRIMINATION

This institution is prohibited from discriminating on the basis of race, color, national origin, disability, age, sex and in some cases religion or political beliefs.

The U.S. Department of Agriculture also prohibits discrimination based on race, color, national origin, sex, religious creed, disability, age, political beliefs or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotope, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027), found online at: http://www.ascr.usda.gov/complaint_filing_cust.html, and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

To file a complaint of discrimination regarding a program receiving Federal financial assistance through the U.S. Department of Health and Human Services (HHS), write: HHS Director, Office for Civil Rights, Room 515-F, 200 Independence Avenue, S.W., Washington, D.C. 20201 or call (202) 619-0403 (voice) or (800) 537-7697 (TTY).

This institution is an equal opportunity provider.

RIGHT TO CONFIDENTIALITY

We will keep your information private. It will only be used to decide which programs you may be eligible for. The county assistance office (CAO), when requested, must provide federal, state and local law enforcement officials with the address, Social Security number (SSN) and photograph (if available) of an individual who is fleeing to avoid prosecution, custody or confinement for a felony or violating probation or parole. Any person knowingly violating any of the rules and regulations of this department shall be guilty of a misdemeanor and, upon conviction shall be sentenced to pay a fine, not exceeding one hundred (\$100) dollars, or to undergo imprisonment, not exceeding six months, or both (62 P.S. section 483).

RIGHT TO A WRITTEN NOTICE

We will give you a written notice explaining your benefits. If we deny, change, suspend or stop benefits, we will give you a written explanation of why. You have 30 days (90 days for Supplemental Nutrition Assistance Program (SNAP) benefits) from the mailing date of the notice to ask for a hearing.

RIGHT TO APPEAL

You have the right to ask for a Department of Human Services (DHS) hearing to appeal a decision if you believe it is unfair or incorrect, or if DHS fails to act on your application for benefits. You may file the appeal at the CAO. If you appeal, you may also request an agency conference before the hearing. If your appeal involves expedited SNAP benefits, you have the right to have this conference with a supervisor within two work days. At the hearing you may represent yourself, or someone else, such as a lawyer, friend or relative may represent you.

RIGHT TO CLAIM GOOD CAUSE

If you apply for cash or Medical Assistance benefits, the law requires you to cooperate with establishing paternity and seeking support. You may be excused from these requirements if you prove it may be dangerous for you and/or your children. This is known as good cause. Unless a good cause exemption is established, you will be required to meet employment and training requirements. You will also be required to meet semi-annual reporting requirements unless good cause is granted.

RIGHT TO CERTIFICATE OF CREDITABLE COVERAGE

Federal law limits when health coverage may be denied or limited for a pre-existing condition. If you enroll in a group health plan that excludes treatment for a condition you already had, you can be credited for the time you received Medical Assistance coverage. This may help you obtain coverage. Contact your caseworker to request this certificate.

RESPONSIBILITY TO PROVIDE INFORMATION

You must give true, correct and complete information. You must help in proving the information you give. Benefits may be denied if you fail to provide certain proof. If you cannot provide proof, you should ask the CAO to help you obtain it. If you are contacted by DHS or the Office of Inspector General, you must fully cooperate with those persons or investigators. If you are age 55 or older and receive Medical Assistance to pay for nursing facility services, home and community-based waiver services and any related hospital and prescription drug service, you may be required to repay the cost of these services from your probate estate. If you are applying for cash assistance, we may require you to sign an agreement to repay benefits that you, your spouse and your children have received.

RESPONSIBILITY TO PROVIDE SOCIAL SECURITY NUMBERS

For cash, health care and/or SNAP benefits, you must provide an SSN for each person for whom you are applying. If you do not have an SSN, you must apply for one. Not providing an SSN may result in not being able to receive benefits. For cash benefits, we may ask for an SSN for anyone whose income or resources may affect your eligibility or the amount of benefits. Your SSN will be used for identity, for computer matches which verify income and resources, and to prevent duplication of state and federal benefits. An alien who is applying for emergency MA only is not required to provide an SSN. (42 U.S.C. 1320b-7)

RESPONSIBILITY TO USE THE PA ACCESS CARD LAWFULLY

Once you are eligible for benefits, you will be issued a PA ACCESS card. This card may only be used for the person who is eligible and only during the eligibility period. You may only use the card for services that are needed and reasonable.

RESPONSIBILITY TO REPORT CHANGES

If you qualify for benefits, you will be required to report changes in your circumstances to your caseworker or to the Customer Service Center. Types of changes reported would include people leaving or moving into the house, a new address, a new job for someone, if someone loses a job, birth of a child, new sources of income or changes to income. Your caseworker and notices you receive will cover the specifics in detail based on the programs and benefits you are eligible for. Failure to report required changes within the program guidelines could result in a loss of benefits, sanctions, or civil or criminal charges. You may report changes to the CAO in person, by phone, fax, mail or through a COMPASS account. You may also report changes to the Customer Service Center at 1-877-395-8930, or for Philadelphia, 1-215-560-7226 any time.

RESPONSIBILITY TO SEARCH FOR JOBS

If you are applying for cash assistance, you must provide proof that you are searching for at least 3 jobs per week during the application process, unless you have verified good cause or proof that you are exempt from this responsibility.

(iv) Providing the requested information, including the SSN of each household member, is voluntary. However, failure to provide an SSN will result in the denial of SNAP benefits to each individual failing to provide an SSN. - I understand that any changes I am required to report must be reported within the first 10 days of the month following the month of change.
- I understand that I will receive a written notice explaining the benefits. If benefits are denied, changed, suspended or stopped, the written notice will explain why.
- I understand that I will have 30 days (90 days for SNAP (food stamp) benefits) from the date of the notice to request a hearing if I do not agree with the decision made on this application.
- I understand that my situation is subject to verification from employers, financial sources and other third parties.
- I understand that applicants must provide their Social Security number or apply for one if they do not have one. This number may be used to check the information on this application.
- I understand that I must use the Electronic Benefit Transfer (EBT) or the PA ACCESS Card only during the period I am eligible. I must use the EBT or the PA ACCESS Card only for the person who is eligible and may get only the benefits that are needed and reasonable.
- I understand that I may not use TANF funds issued through my PA ACCESS card to make EBT transactions in liquor stores, casinos (gambling casinos, gaming establishments), or places for adult entertainment.

- I certify that all information that has been entered is true under penalty of perjury.
- I understand that I have the right to a certificate of creditable coverage to verify my medical coverage. Federal law limits when health care coverage may be denied or limited for a pre-existing condition. If I enroll in a group health plan that has a pre-existing condition clause, I can get credit for the time I received Medical Assistance.
- I understand that if I am determined eligible for Medical Assistance, I will be placed in the most comprehensive health care package that is available to me.
- If I receive cash benefits, I will cooperate with the requirements of the child support enforcement program as directed by the department. I give the department and the Domestic Relations Section the right to pursue and collect cash and/or medical support for me and others for whom I am applying.
- I understand that if I report or provide proof of the household expenses, I will get the maximum amount of SNAP (food stamp) benefits allowed. Failure to report or provide proof of the household expenses will be regarded as my statement that I do not want to receive a deduction for the unreported or unproved expense. (Authority: United States Department of Agriculture, Food and Nutrition Service, Mid-Atlantic Region, Administrative Notice 6-99, issued January 4, 1999).
- I understand that I have the right to receive credit for the household expenses at the time I report and provide proof of them at any time during my SNAP (food stamps) certification period.
- I understand that I have the right to ask the county assistance office (CAO) for assistance in getting proof of expenses and that the CAO can contact other people for confirmation if I am having trouble getting proof of anything.
- I understand that if some or all of the individuals applying do not qualify for health care, that they may be eligible for CHIP. If this is the case, I authorize the Department of Human Services to give my name and information on this application to the insurance department or the CHIP contractor.
- I understand that if some or all of the individuals applying do not qualify for health care, that they may be eligible for federal benefits and/or explore private health care options through the Health Insurance Marketplace. If this is the case, I authorize the department to give my name and information on this application to the Marketplace.
- **Renewal of coverage in future years:** To make it easier to determine my eligibility for help paying for health coverage in future years, I agree to allow the Health Insurance Marketplace to use my income data, including information from tax returns.
