Subject: Tracking the Resource Questions on SAR/LIN for Food Stamp Cases

Should CAOs continue to track question #8 on the SAR/LIN form for food stamp cases with the implementation of Expanded Categorical Eligibility ([OPS Memo 080905](#)).

Response By: Division of Federal Programs

Yes, but only for those households that are not categorically eligible. With the implementation of Expanded Categorical Eligibility for Food Stamp Households (OPS Memo 080905), most households do not require a resource review/determination.

Tracking of question #8 should be completed as follows:

- For households that are Categorically Eligible, track question #8 as complete.
- For households that are not Categorically Eligible, track question #8 as incomplete if the resource or verification is not provided.
