Dear

As a result of the Pennsylvania Department of Human Services, Bureau of Human Services Licensing, (Department), licensing inspections on September 23, 2022, and September 26, 2022, of the above facility, we have found that your facility is in substantial compliance with the regulations, set forth in 55 pa. Code Ch. 2800 (relating to Assisted Living Residence), that can be adequately assessed at this time. The licensing inspector was unable to complete a full inspection because this is a new legal entity operating the residence.

In accordance with 55 Pa.Code § 2800.11(b) (relating to procedural requirements for licensure or approval of assisted living residences a re-inspection of your newly licensed facility will be conducted within 3 months of the effective date of this license. Complete compliance with all applicable regulations is required in order to maintain your license.

Your NEW license is enclosed.

Sincerely,

pamie f. Buchenauer
