Community Name: Colonial Courtyard at Clearfield

License Number: 447330

Date of Visit: June 10, 2016

Date of Submission: August 31, 2016

- 1. Violation Review: The lint trap of the empty dryer in the resident laundry room contained lint.
- 2. Violation Interpretative Statement: 2800 105g- To reduce the risks of fire hazards, lint shall be removed from the lint trap
- 3. Review the benefit of the Regulation, per RCG: Greatly Reduces the chance of fire in the home
- 4. Description of the Repair of the Immediate Problem: Posted a laminated memo, informing residents and staff to empty the dryer lint trap after each use. I sign off log for each shift was also placed in the resident laundry room. Staff has been educated on the need to check the dryers at the end of each shift to ensure that the lint trap is clean. This log will be audited by the Maintenance Supervisor on a weekly basis and has been added to his Electronic Maintenance Program (TELS)
- 5. Determine / document the Root Cause of the Violation: Residents use the dryer daily and may forget to empty the lint trap after each use. A memo has been posted to remind them, but it will also be the responsibility of the staff to ensure that this is being done at the end of each shift.
- 6. Detail Action Steps / System Developed to prevent future occurrence: Maintenance supervisor will be responsible for checking the sign off logs on a weekly basis. Staff will be responsible to check the lint trap at the end of each shift to ensure that they are free of lint, to help reduce the possible risk of a fire.
- 7. Designated position responsible and specify target date for correction: Maintenance Supervisor, all shift team members, this was immediate and on going
