RE: Parker House Assisted Living
License #: 333170

Dear Ms. Casner:

As a result of the Department of Human Services' licensing inspection on April 20, 2017, of the above facility, we have found that your facility is in substantial compliance with the regulations, set forth in 55 Pa.Code Ch. 2800 (related to assisted living residences), that can be adequately assessed at this time. The licensing inspector was unable to complete a full inspection because the home is new and not yet serving four or more residents.

In accordance with 55 Pa.Code § 2800.11(b) (relating to procedural requirements for licensure or approval of assisted living residences) a re-inspection of your newly licensed facility will be conducted within 3 months of the effective date of this license. Complete compliance with all applicable regulations is required in order to maintain your license.

Your NEW license is enclosed.

In an effort to improve our licensing processes, the Bureau of Human Services Licensing is soliciting feedback about your recent human services provider application submission experience. To participate in the online applicant survey, launch your web browser and go to https://www.surveymonkey.com/r/BHSL_Application.

The survey is brief and will only take about 5 minutes to complete. Your participation in the survey is completely voluntary and all of your responses will be kept confidential. The responses will be reviewed as part of an aggregate of provider applicant responses. Thank you in advance for providing feedback.

Sincerely,
