License #: 332360

Dear Ms. Shaw:

Thank you for your Request to Admit a Resident with an Excludable Condition (RAREC), submitted on behalf of [REDACTED] to the Department of Human Services, Bureau of Human Services Licensing on January 8, 2020.

According to the documentation submitted in accordance with 55 Pa. Code § 2800.229(b) (relating to excludable conditions; exceptions), [REDACTED] has "Stage III or IV decubiti and vascular ulcers that are not in a healing stage." Spiritrust Lutheran The Village at Sprengle Drive has a treatment plan in place whereby licensed staff will provide palliative wound care to [REDACTED] as directed by her primary care physician (PCP). In addition to the wound plan from [REDACTED] PCP, there are two wound care licensed nurses on staff available as needed to assess the wound, and the Director of Care, who is a registered nurse, is present in the residence 35 hours a week and available to monitor the wound as well. [REDACTED] has signed both the assessment support plan and the RAREC. If necessary, a decision would be made in collaboration with [REDACTED] [REDACTED] designated contact, [REDACTED] primary care physician and the administrator at Spiritrust Lutheran The Village at Sprengle Drive as to whether Spiritrust Lutheran The Village at Sprengle Drive remains an able and appropriate setting in which to meet the needs of [REDACTED].

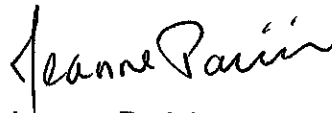

With submittal of the treatment plans, progress notes and [REDACTED] signature on the RAREC, the Department has approved the RAREC request on behalf of [REDACTED] [REDACTED] based on the following conditions:

1. Documentation of all care provided to [REDACTED] shall be kept by the Director of Care at Spiritrust Lutheran The Village of Sprengle Drive.
2. [REDACTED] shall be provided the alternating air pressure mattress as ordered by her primary care physician.

3. Any worsening in [REDACTED] condition will require notification within one business day to the Department for additional review for continued admittance at Spiritrust Lutheran The Village of Sprengle Drive.

If you have any questions regarding this RAREC approval, or the RAREC approval process, you may contact the Central Regional Office at telephone number (717) 772-4673.

Sincerely,

A handwritten signature in cursive script that reads "Jeanne Parisi".
