Subject: Federally-Facilitated Marketplace (FFM) Open Enrollment Period for
2016

Question: When will the next FFM open enrollment period begin? Will there be any changes to the way FFM applications are processed today?

Response By: Division of Health Services

Date:

The FFM open enrollment period for 2016 will start on November 01, 2015 and is planned to continue until January 31, 2016. With the beginning of the FFM open enrollment period, CAOs will see an increase in the number of FFM applications.

There will be no change to the processing procedure for FFM applications. Refer to [OPS141102](#) for additional information.
