Dear Applicant,

We have received your application for Food Stamps, and we are reviewing it. You may still qualify for food stamps, but we can't give them to you quickly (right now) because:

**A. Your household is not one of the types of households that can get Food Stamps quickly. This is the law: 7 CFR 273.2(i)(1):**

Household 1. Everyone in the household must be migrant or seasonal farmworkers, with income that stopped before application or just started and together they cannot have more than \$100 cash.

Household 2. The household has \$100 cash or less, and all monthly income (before expenses) is less than \$150.

Household 3. The total household monthly income (before expenses) and cash is less than monthly shelter expenses.

**B. You did not give us the proof of the information we asked for the last time you got food stamps. The law says that this time you have to send proof before we finish reviewing your application.**

*This is the law: 7 CFR 273.2(i)(4)(iv)*

**If you do not agree**

If you think we are wrong, you can meet with a supervisor within two working days.

If you want a meeting with a supervisor, please call \_\_\_\_\_ at \_\_\_\_\_ or call the HELPLINE at 1-800-692-7462. This call is free.

Our office hours are 8:30 AM to 5:00 PM (Monday thru Friday).

**What happens next**

After you give us the information we asked for, we will write you another letter telling you if you qualify for food stamps.

*Thank You*
