Subject: PARIS Federal Match Issues

These questions relate to the PARIS Federal Match and [OPS 120403](#):

- 1) Is the CAO to consider the information in the PARIS Federal Match file "verified upon receipt"?
- 2) Is the CAO to make changes if there are discrepancies between the PARIS Federal Match data and income known to the case record?

Response By: Bureau of Policy/Bureau of Program Evaluation

Date:05/01/12

- 1) No, information from the PARIS Federal Match is not considered verified upon receipt. The CAO must contact the client to verify the information. Reminder: active duty Federal Military, Reserve, National Guard and retired Military personnel may access and print verification at ~~www.mypay.com~~. **by going to the myPay link at www.dfas.mil.**
- 2) The CAO will only investigate discrepancies between known income and new PARIS Federal Match information and make changes when the match indicates a difference (an increase) of more than \$50 in unearned income and \$100 in earned income. Narrate actions. Review all information at the next SAR review or renewal
