

The Pennsylvania Historical & Museum Commission (PHMC) has joined other museums across the country in “Museums for All.” This initiative of the Institute of Museum and Library Services reduces admission costs so that you and your family can explore Pennsylvania’s rich history and culture at the museums along the Pennsylvania Trails of History. Through Museums for All, we’re making sure everyone can experience the best that our museums have to offer for the lowest and most affordable prices ever.

If you have an EBT (Electronic Benefit Transfer) card, simply show it with your ID when you arrive to reduce your admission to \$2 per person. This offer does not include special programs or events at the museums.

For a current list of participating Trails of History sites, visit www.phmc.pa.gov.
